

## REF 859 Your Project in Paradise Awaits 859

**€135,000**

If you're seeking a project in paradise, this is the property for you. Surrounded by pristine nature, this estate offers numerous possibilities to create your dream home.

The property includes a main house, a detached annex, and a detached garage. All buildings have intact roofs and are structurally sound. The estate benefits from mains electricity, and water is supplied to a well that also collects rainwater. The garden boasts a variety of mature and young trees, including olive, fig, and citrus.

A well-maintained dirt track, bordered by lavender, rosemary, and thyme, leads from the main road to the property. Although the property is very private, neighbors are nearby. Within a 15-minute drive, you'll find local beaches, shops, bars, and restaurants.

Contact us now for more information and to explore this incredible opportunity.
