## REF 860 Country Modular House with Private Garden

€120,000

📍 Los Puertos de Santa Barbara, Cartagena, Murcia

This modular house is set on a 1000 square meter plot which has borders of fencing and walls. At the entrance is a double sliding gate. As you enter the plot there are several Olive trees, a couple of Almond trees and a fig tree, and a long driveway which takes you to the house. In front of the house facing south is a large lawn with a couple of large
