Lovely apartment located in Isla Plana, walking distance to all amenities the town has to offer, including the lovely beach. This property is arguably located in one of the best prime locations on the development with, unlike many others, uninterrupted views of the Mediterranean. The kitchen is compact but fully functional with quality white goods, included in the sale, plus the adjacent space on the terrace can easily be used to accommodate additional white goods, as many other owners have already chosen to do already but in its present form the kitchen itself can easily accommodate a large fridge/freezer and washer/dryer without any problem. The bathroom is fully tiled with a shower cubicle. The living room has sliding patio doors to a large terrace, which offers panoramic views of the Mediterranean. There are two double bedrooms with fitted wardrobes and the master bedroom has access to the same large terrace. Every room in the apartment except the bathroom has lovely sea views. From the large private terrace, there is an additional lower terrace giving you that extra outside space, which over looks the grassed area belonging to the swimming pool, making it a very private plot. The Property has pre installation for air-con throughout, roller blinds, ceiling fans and benefits from a comprehensive security system backed up by additional measures for security and
